this is not too obvious, is it?

As a woman, you have to be confident in your sexuality or you'll get trampled on. I may be young, but I love kinky sex. I'll do just about anything in any hole of mine. If there's a cock out there – and a toy, then I can really get off. Then I'll kick back with a warm totty and get ready to do it again.

there had never been a storm like the one howling outside right now. Windows rattled and tree branches make scary shadows. Anna and Alex sat in the living room huddled together like there was going to be a catastrophe. But soon the winds died down and the rain stopped. Oh, what to do now. Apparently their huddling together for an hour has aroused the two nubile tenants. Anna and Alex get naked and into her flowery bed for an afternoon of anal hijinks. It all starts innocently enough...

anna

BUTT PLAY IS SO MUCH MORE FUN AND SEXY IF YOU DON'T HAVE TO DO IT ALL ALONE.

First, some finger play into Anna's tight little sphincter. "Alex, use some lube," she squeals. Soon Anna has his cock in her mouth and is sucking it perfectly to his pleasure. Holding his cock, she guides it into her moist pussy and begins bouncing on it with her youthful exuberance. And then it's butt time and he pulls her off his cock and the slowly pushes it into her tight little butt hole. Anna's done this before but this time it feels different. Maybe because she has feelings for Alex.

co-ed cummer

a sorority invitation gets out of hand

I was a freshman at an out-of-state university. It was my first time away from home, and it was totally cool not having to live by anyone else's rules. Mom and Dad weren't around to tell me what time to come home, or whom I should be seeing. I came and went as I pleased, and went to class only when the mood hit me.

My roommate was totally with it. She was into the hottest sorority on campus, and she got me in, too. I didn't even have to do anything stupid for initiation. All I had to do was get invited to a party at the coolest fraternity on campus. And that was no sweat, since I had already been seeing a guy who belonged. The only catch was that I had to make the night especially memorable for the guy who got me in. He was supposed to take some pictures to prove that I had actually been there and done that.

So it was early when I met Scott at the house. He was helping Mike, one of the other frat boys, set up the keg, while his buddies, Keith and Patrick, set out some chips and dip. Scott handed me the first mug drawn from the keg, and I sat down on the couch. It wasn't long before he and the other three guys joined me. I was a little nervous, my heart pounding in my chest, as they squeezed in close to me on the couch. They guzzled beer from their mugs, and I did the same, just trying to chill a little. Then Scott's hand crept up under my blouse and he started kissing my neck.

I hadn't worn a bra, wanting tonight to be as easy as possible, so when he pushed my blouse up, my bare breasts were exposed to his friends. My face turned red and my cheeks were hot. "Take it all off," Mike coaxed.

"Yeah, baby, why don't you stand up and strip for us? That would make the night totally unforgettable," Patrick suggested.

"Yeah, and your sorority sisters will be satisfied that you passed their little initiation," Scott whispered.

I had never done anything like this before. Truth be told, I was still a virgin, and I was more than a little scared. But I couldn't let them know that. I had to act like I was really experienced, like I had been around and knew exactly what I was doing.

"Sure, why not?" I agreed.

I stood up, just a little unsteady on my feet. They were staring at me, making me the center of attention, and that was causing a familiar tingle to shoot through me. I wanted to strip for them, make them want me.

I unbuttoned my blouse in time to the music, then slipped it off. They whistled and yelled as I unzipped my jeans. My head was spinning, but I couldn't stop. I inched my jeans down and let them fall to the floor. Hands caressed my naked body as I wiggled my ass and shook my breasts for them. We were all really enjoying ourselves.

Then I heard the unmistakable sound of zippers being yanked down. I wasn't surprised when a hard, hot cock rubbed against my thigh. Scott pulled me toward the couch, his cock stiff and the purple, plum-shaped head oozing.

I lay back, spreading my legs wide. Scott stood over me for a minute, and then I saw the flash of the camera and heard the click of the shutter. Someone was taking pictures of me—naked and exposed, my pussy dripping in anticipation. But I didn't care. I was loving it—and I was thrilled that

they all wanted me so badly.

Scott aimed his cock for my quivering pussy and drove it home in one powerful jab. It was totally awesome, feeling that hard poker sliding deep into my dripping pussy. He didn't stop for even a second, just began to ride me like a horny rodeo wrangler. The other guys circled around, holding their cocks in their hands and waiting impatiently for their turn to fuck me.

I bucked my hips, meeting each jab as my clit throbbed with excitement. It was like I was someone else, not the shy little girl I had been in high school. I even got the nerve to reach out and start feeling up the guys standing beside me. I handled their bloated balls like a pro, rolling and stroking the tender flesh.

"Harder. Faster," I coaxed, as I felt the heat spread slowly from between my thighs.

Scott eagerly complied, ramming his body harder and faster against mine. He was getting close. I could see it in his face, and I could feel his intensity, his overpowering need.

I closed my eyes as waves of pleasure rippled through me. My entire body trembled, and my pussy tightened repeatedly around his horny cock. I groaned and thrashed as his cock continued to tease me, bringing me quickly to a second climax. I had never known it could be so good, didn't know what I'd been missing.

Then his muscles tensed and his body shook. I felt his cock jerk and twitch inside me, his hot cream flooding my insides. He made one final powerful lunge, then collapsed on top of me. His lips mashed against mine, and his tongue dived into my mouth. His kiss was desperate, hungry.

I took a deep breath and readied myself for the

oversized intruder. I could definitely feel the difference when Mike's thick poker nudged its way into my juicy pussy. Patrick was getting impatient as I groped his cock and balls. He decided he couldn't wait any longer. He got down on his knees right beside my head and rubbed his cock against my lips. His cock was longer and thicker than either Scott's or Mike's. I wasn't sure I could take it, no matter where he put it.

I hesitated for a second, then parted my lips and let the smooth, hot flesh slide onto my tongue. It was the most incredible feeling. I loved sucking cock, wanted to swallow up that pulsating piece of meat. I couldn't wait to feel him cum in my mouth, to taste his come for the first time.

The two cocks rammed in and out of my body in time to the music. Keith was standing close enough for me to give to his cock a couple of quick yanks while he waited for one of the others to get his rocks off.

I was in heaven, my head spinning. I didn't think I would ever feel this good again. Patrick's big, hairy balls slapped against my chin each time he rammed his cock into my mouth. His cock plunged deeper and deeper into my throat, almost making me gag. He pulled back for just a second, giving me time to catch my breath, then slammed back into me. I let his cock slide as deeply as possible into my throat, then swallowed around it. He fucked my mouth harder and faster. In no time, his cock was wiggling and jumping in my throat, and his hot cream was blasting my tonsils.

I swallowed again and again, milking his cock and at the same time trying not to drown in his huge load. Finally he let his cock slide out of my mouth. He brushed my hair back away from my

face as Mike’s cock squirmed and thrashed inside me, depositing his load deep in my belly. His cream spewed into me, in one huge wad, then several smaller wads. He kept his cock buried deep inside me until it had quit jumping, then pulled out and stepped back.

“She’s all yours,” he said, gesturing to Keith. I was nearly exhausted. But there was one more stud who needed to be satisfied. I stretched and then readied myself, waiting for him to move between my thighs. Instead he stood over me for a second, like he wasn’t sure what he wanted to do. “Roll over, sweet stuff. I’m not going to use that stretched pussy. I’ve got other plans.”

My heart raced. I hadn’t heard stories from any of my friends about taking it up the ass. But I was sure it wouldn’t feel good. I hesitated, looking up into his hungry brown eyes. He looked like he had his mind made up, and I wasn’t sure I was in any position to argue. So I rolled over and crawled into position, my ass-cheeks spread and my quivering sphincter exposed.

Somehow the flash of the camera made me feel a little better, a little braver. I readied myself for the oversized intruder, expecting the worst. Keith came up behind me and wrapped his arms around my waist to steady me. He rubbed his wet, sticky cock up and down my crack before aiming it for the tight hole in my center. He nudged against me, slowly stretching the tiny entrance to my body.

I groaned, then took several deep breaths. His fingers crept down to my wet slit, rubbing and teasing my sensitive bud, as his tool burrowed slowly into me. The sensation was strange, a mix of pleasure and pain as he filled my insides.

He stopped, letting me get used to the feel of his thick cock buried up my ass. Then he began to ride me—gently at first, with long, deep strokes. His fingers still played with my clit, bringing me closer and closer to climax. Then his pace shifted, and his strokes became short, quick jabs as he got more and more turned on.

Everyone looked on as his cock rammed in and out of my body. I wiggled and squirmed, pushing my ass back to meet each inward thrust. I wanted his cock buried balls-deep inside me. This was totally awesome. I knew I would come soon. My body was ready for the new sensations. I was hot, my body on fire. I couldn’t hold back a second longer. I gave in to the most powerful, most incredible orgasm of my life. I nearly blacked out, I was so exhausted and overwhelmed.

Then Keith shot his load deep in my belly. I could feel his cock pulsating as each burst spewed into me. He kept his arms wrapped around me until he had finished coming, then let me go.

His cock slid from my stretched hole, leaving me empty and deserted. I dropped down on the couch, ready to sleep. Someone threw a blanket over me and they all disappeared.

When I woke, I was upstairs on a bed. I looked around, listening to the music and voices downstairs. The party was in full swing, and I had nearly missed it. I was pulling on my jeans and T-shirt when the door opened. Scott walked in, the other three guys following him.

I smiled, glad that they knew what a treasure they had discovered. I wanted to service them, then repeat the experience as often as possible. And the possibility of having a new class of studs next year made me even hotter!

BLAIR-NTS-09

BROWNIES: THE TRUE APHRODISIAC

I'm a volunteer at a local shelter and once a month all the volunteers do a pot luck brunch. It was my turn to bring the dessert so I made fudge brownies. In Tampa we have the hottest summers so I enjoy drinking lot's of lemonade with lots of ice. So I'm waiting in the heat listening to music and dancing around with nothing but my boxers on, waiting for the brownies to cool before heading for the shelter. A few minutes later I heard the mail being delivered. I ran to catch the mailman so he could post the final pages of my divorce documents. I opened the door to see a "mail-woman" stuffing my box and asked what happened to Al. She said he transferred to one of the suburbs.

As I handed her the envelope, I could see her eyes fixated on my chest and glancing at my boxers. We chatted about the extremely hot weather and noticed she was dripping a bit of sweat and probably

She's a little hottie, I thought to myself. I walked to the fridge to get the lemonade. She said she preferred milk with her brownies. I looked and smiled at her and said I did too.

need to cool off, so I invited her in for a glass of lemonade.

As she entered the house she noticed the sweet smell and asked why I was making brownies so early in the day. I laughed and said I worked at a shelter and wanted to get the brownies right before taking them with me. I asked if she would be my guinea pig, saying it was the first time I ever made them and she could tell me if they came out okay. She introduced herself as Diana as she put down her

bag, took off her cap and sat at the counter. Her short brown hair came falling out and she unbuttoned another button on her blouse making that "I need to cool off" gesture fanning her blouse by the collar. She's a little hottie, I thought to myself. I walked to the fridge to get the lemonade. She said she preferred milk with her brownies. I looked and smiled at her and said I did too. I offered her one, and milk. Savoring the taste in her mouth she smiled and said they were delicious. Humbly, I agreed with her and said thanks.

We made small talk as I was starting to feel a little flirtatious. I asked if she would like another. She said 'yes' but had to get on with her route. I plopped another down on her plate. I began to get another for myself and she said she shouldn't finish the second one. She held it up to me, offering the remainder to my mouth. How sexy, I thought, as I moved in for a small bite, mouth

open and tongue sneaking forward.

I noticed that she noticed and caught little smile from her. I took a bite and she ate the rest of it. She gathered her stuff and headed for the door. She stopped a few feet from it and thanked me for the refreshment. I asked if she would like one or two to take along with her. She politely declined but to my pleasant surprise, asked if she could come over tomorrow to show her how to make them. I said she was welcome to come after three when I would have returned from the shelter. She said that would be great. She said she'd bring the milk because we had finished mine.

The next day I headed off about 11:00 with two dozen little fudge surprises. They were a hit and everyone said I did not make enough. About two pm I headed home to clean up before my mailwoman came over. Right at three there was knock at the door and opening it there stood Diana and a lady friend just as cute as her. Both were wearing shorts and

tank tops because of the heat and their incredible cuteness.

"Hi, this is Jan. I hope you don't mind her coming along. I must say I feel a little safer this way." said Diana.

"No problem." I said, and introduced myself as David as they brushed past me into the house. They head to the kitchen and Diana goes right to the fridge to put in the gallon of milk she promised. Jan saw me checking her out as Diana bent over to find a spot for the milk. Embarrassed, I looked at Jan apologetically and she just smiled. After some small talk, we started making the brownies. I watched as the two ladies deftly handled the spatulas and electric mixer. After about twenty minutes the batter was ready and into the pan it went. Another twenty minutes and they were ready. As we waited, they said they were roommates and had been living in Tampa for six years before. I said I was a transplant from Detroit.

By now the brownies had cooled and the three of us were heating

up. This time Jan goes over to the fridge to get the milk as Diana cuts the brownies. I serve them up and we all have a taste. Complimenting each other on how good they were, we all decide to have seconds. The girls commented on how hot the kitchen had gotten from baking. They asked if I minded if they took off their tops. I said it was okay by me. I could not believe that this was happening. I took off my tennis shirt asking permission after it was off. They laughed and started stripping off their pants. In heated anticipation, I cleared the kitchen table of the plates and glasses but left the brownies nearby.

Diana turned to me and opened my pants and pulled my cock out. It was already hot in there and this eating game had really gotten me going. She put one hand around my cock and the other girl put her hand on top of that. She leaned forward and took the head of my dick in her mouth. As the two women squeezed it a glob of precum oozed out and Diana slurped it up.

As she entered the house she noticed the sweet smell and asked why I was making brownies so early in the day. I laughed and said I worked at a shelter and wanted to get them right before taking them with me.

As Diana stood up, Jan got behind me and quite deftly guided my cock to Diana's slick slot. Diana moaned as I pushed forward and she pushed back against me. She stood and took me by the hand and led me back into the bedroom. Jan followed and then took the lead. I felt her warm breath as her lips enveloped my cock and she easily slurped half of my cock into her mouth before she looked up at me. Her brown eyes sparkled at me as she inhaled the other half of my cock. I felt her throat contracting around my cock and after what must have been a minute or two, but felt like forever.

Diana pushed me down and straddled my hips, her hands deftly guiding my cock into her sweet wet snatch once again. She started first by just rubbing the tip of my cock against the swollen lips of her pussy, the feeling was wonderful and I found myself thrusting up to try and get inside of her sweet honey pie. When she finally lowered herself onto my hips, it was like I was sliding into a tub of warm butter. She

rested there impaled on my cock for some time, and then I could feel her muscles start flexing and contracting around me.

I was delirious with the pleasure these women were giving to me. With Diana riding me, Jan climbed into the bed and straddled my face. I reached up and squeezed her breasts with my hands. She pulled my face deeper into her sopping wet pussy and my tongue extended to its fullest as she leaned forward and began kissing Diana. When she did Diana started to flex her hips grinding and riding up and down my cock. It wasn't long before I was spurting my hot cream into her wonderful, magical pussy. But that was not to be enough...

It was only seconds before I went from semi-hard to totally stiff as Jan's tight pussy got me going once again. She straddled me and leaned her body over mine, her nipples just grazing my face as she rocked up and down on my cock. I sucked and pulled on them with my teeth as she picked up her tempo until she was

slamming her pussy down on my cock. I felt Diana's hands grab my balls and began massaging them fiercely and I fucked her friend.

Then I felt one wet finger slide into my butt hole and that sent me over the top. I bucked a couple more times with Jan riding me like a cowgirl. Jan gasped as I felt her pussy muscles contract around my cock and my own juices boiled over into her. She lay on top of me for several minutes my cock slowly sliding out of her, both of us spent. Diana laid next to us gently caressing my balls and slipping a finger or two into Jan's wetness.

Jan managed to stand up after a little bit and I could see some of my cum leaking out of her. She apparently felt it too and scooped some up with her fingers. With my milky goodness dripping down them, she shows them to Diana and says that this would go great with brownies! She tells me to get the rest of them. We were going to have us another chocolate frenzy.

*Diana turned to me and opened my pants and pulled my cock out.
She put one hand around my cock and the other girl put her hand on top of
that. She leaned forward and took the head of my dick in her mouth.*

Guys have always told me that I have a cute ass, so I'd wiggle it in front of them at frat parties. Little by little that became my trademark move and some of the guys wanted to explore it. But before I let them, I have to be comfortable enough with it so I did it first. I want you to watch me play with it. I want to spread my cute ass for you!
